

NOTE- Please do this process 3 to 4 days before training as this will be valid only for one month.

STEP-1 Creating new email account [with Live ID]

Note- if you already have live id email then directly proceed to step-2

→Go to <https://signup.live.com> and register yourself with the new email and password

→On successful account creation please proceed to next step

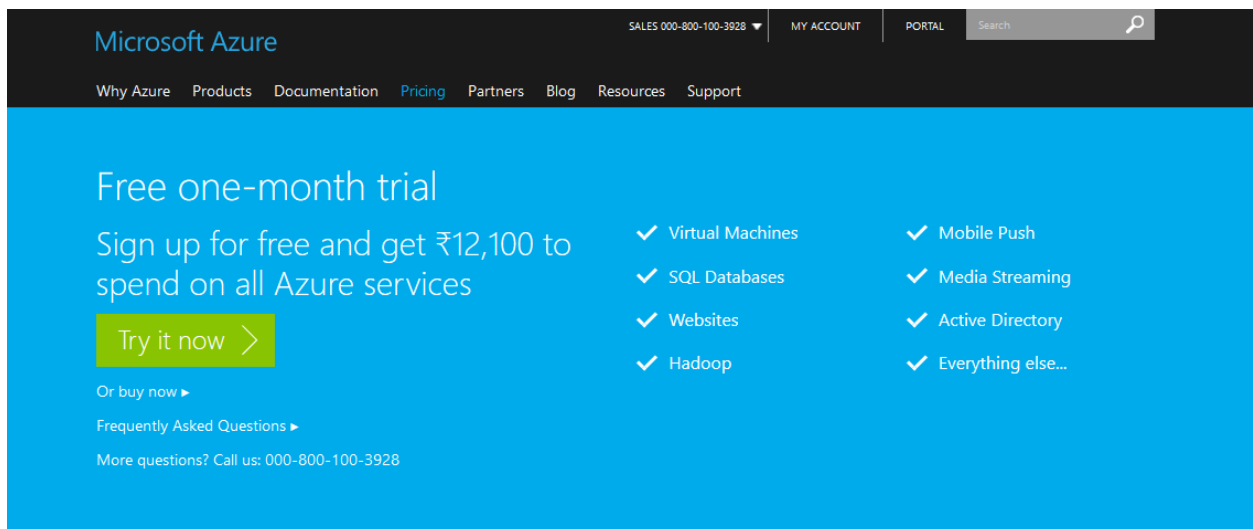

STEP-2 Registering with AZURE

Note- If you already have msdn subscription or any other azure account then please do not follow this

→Go to <https://azure.microsoft.com/en-in/> and click on **TRY for FREE** button like below

→Here you will get free cloud for 1 month period and credit amount Rs 12,100 to use cloud resources.

The screenshot shows the Microsoft Azure website's 'Free one-month trial' page. The header includes the Microsoft Azure logo, a phone number (000-800-100-3928), and links for 'MY ACCOUNT', 'PORTAL', and a search bar. Below the header is a navigation menu with links: 'Why Azure', 'Products', 'Documentation', 'Pricing', 'Partners', 'Blog', 'Resources', and 'Support'. The main content area has a blue background and features the text 'Free one-month trial' and 'Sign up for free and get ₹12,100 to spend on all Azure services'. A green 'Try it now' button with a chevron is prominently displayed. Below this button are links for 'Or buy now', 'Frequently Asked Questions', and a contact number. To the right of the main text is a list of services included in the trial, each preceded by a checkmark: Virtual Machines, SQL Databases, Websites, Hadoop, Mobile Push, Media Streaming, Active Directory, and Everything else...

→Click on try it now and you will be navigated to below page.
